

Annual Super Tuesday bike count, 2010: Tuesday 2 March, 7 – 9 am

Initial data: Brisbane City Council

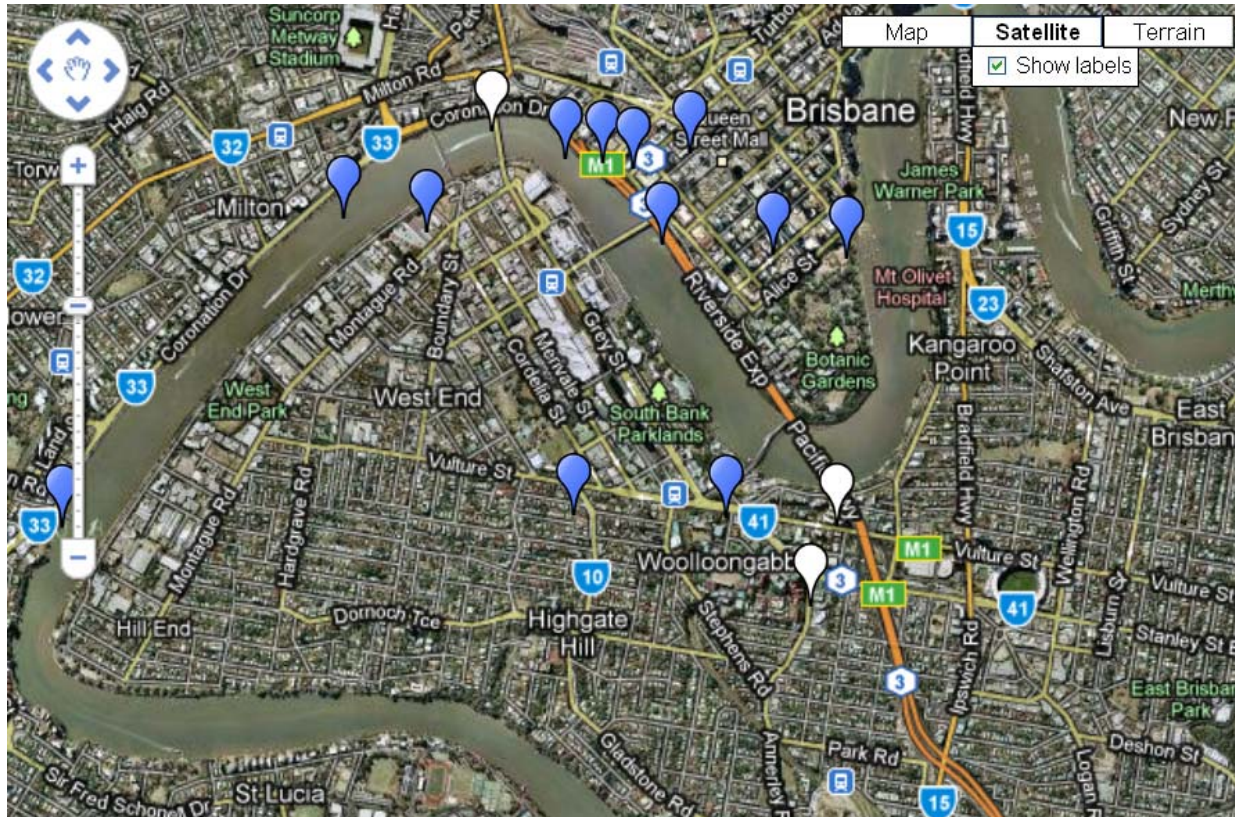

The data in the following table shows data collected in the annual Super Tuesday bike count. The table includes data received by the Bicycle Network as at 17 March 2010. 'Total rider numbers' indicates the total number of riders through each intersection in the 7 – 9am period. Turning movements will be provided in full in the final report.

The graphical images are screen captures that give an indication of the format of some of the data presentation in the final Super Tuesday reports that each council will receive.

Please note that the data provided here is raw data and the verification process is not yet complete and so there maybe a small % of sites for which data is not available.
