

Ride2School Term 2, 2010 Council Report

Manningham City Council

Dear Mayor, Councillors and supporters of Ride2School,

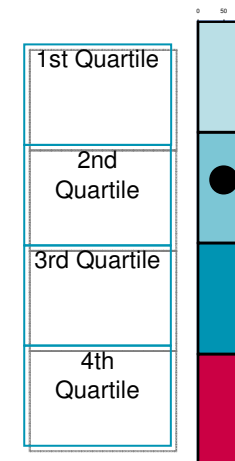

Ride2School's monthly Hands Up! Active travel count calculates the average number of students that walk and ride to school in your municipality. We hope this data allows you to be aware of active travel rates and to track progress over time.

Top 4 Local Councils

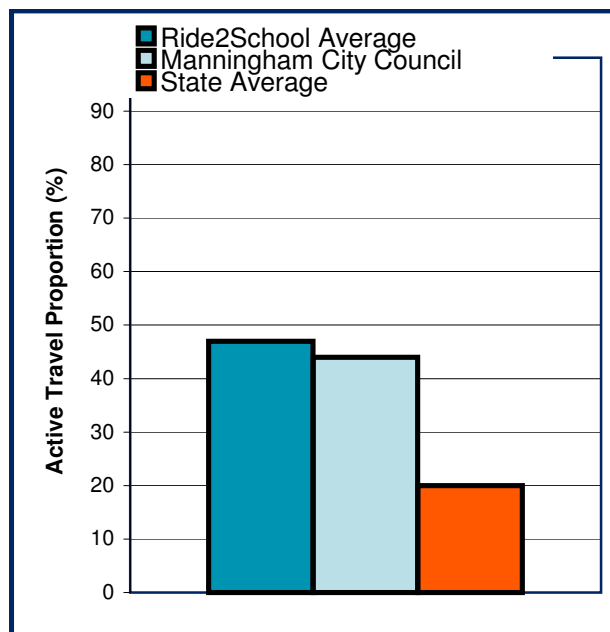

(based on proportion of schools reporting)

- Greater Geelong City Council
- Yarra Ranges Shire Council
- Boroondara City Council
- Mornington Peninsula Shire Council

The black dot in the right diagram marks your relative position in comparison to other Victorian councils. Ideally, you want to be in the first quartile.

	Active Travel rate (%)	Number of students	Number of schools entering data

Registered school rank
38
(out of 80 councils)

Active travel rank
24
(out of 80 councils)

The registered school rank shows how many schools are registered in your council versus other councils. The active travel rank does the same, only for active travel percentage.

Gold Medal Challenge

The challenge encourages all Victorian secondary school students to set a goal to accumulate 250km, 500km, 750km or 1,000km before the end of this year. Students who reach their goal will receive a gold medal and will go into the draw to win great prizes.

Encourage secondary students to be a part of the challenge by directing them to the Ride2School website
www.ride2school.com.au

For more information on how your council can support the Gold Medal challenge, please contact the Ride2School team on 8636 8888 or ride2school@bv.com.au
