

The Ride2School team would love to see schools in your municipality entering Hands Up! data and engaging in the program.

Unfortunately, there were no schools in Port Phillip City Council that entered Hands Up! data during Term 2, 2010.

The team at Ride2School are here to help! We are the experts in offering practical and tailored strategies, guidance and advice to local councils who want to increase active travel in their school communities.

Contact us on 8636 8888 to speak to Ride2School program coordinator.
