Harbour Esplanade Redevelopment

Tram service and traffic changes
12 – 20 November 2010

As part of VicUrban's Harbour Esplanade redevelopment, Yarra Trams will be doing tram improvement works in the Docklands precinct in November 2010.

VicUrban's Harbour Esplanade redevelopment will ultimately see this important public space transformed into a new harbourside destination for Melbourne (see artist's impression on the front of this brochure).

During the first stage of the redevelopment the tram tracks along Harbour Esplanade between Bourke Street and La Trobe Street will be realigned into the centre of the roadway.

This brochure provides details of traffic and tram service changes from 10pm Friday 12 to Saturday 20 November 2010 at 5am.

Temporary Tram Service Changes

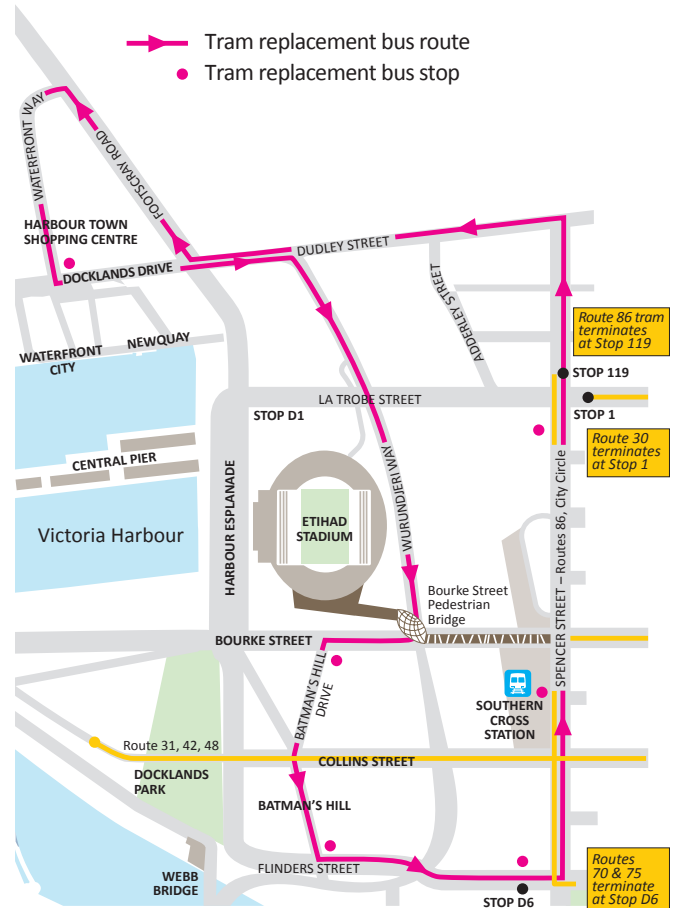

From **first tram Saturday 13 November to last tram Friday 19 November** the following service changes will be in place:

- City Circle trams will operate via Spencer Street and will not service the Docklands precinct
- Route 30 will terminate at Stop 1 La Trobe and Spencer Street
- Route 70 will terminate at Stop D6 Flinders Street West (corner Flinders Street and Spencer Street)
- Route 75 will operate on an altered route, terminating at Stop D6 Flinders Street West
- Route 86 will terminate at Stop 119 La Trobe and Spencer Street
- Routes 31, 42 and 48 will operate as normal

Tram replacement bus route

13 – 19 November 2010

A tram replacement bus service will operate as shown on the map below.

Yarra Trams welcomes your feedback on **1800 800 166** from 6am to midnight daily.
