Dear Alex

King Street Separated Cycleway

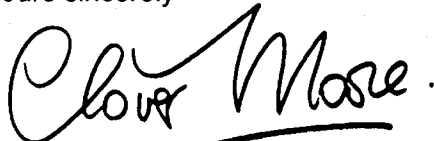

I am writing to let you know that the City of Sydney will commence the construction of the King Street separated cycleway in April.

I would like to thank Bicycle NSW and its members, as well as other cyclists and potential cyclists, who wrote to Council in support of the project.

I believe the King Street cycleway, a key part of the City's planned 55km of dedicated separated cycleways, will dramatically increase cycling in the Sydney CBD, and that the City and Bicycle NSW have an important role to play in educating the community about its benefits.

The City will continue to work closely with the cycling community and Bicycle NSW to implement other recommendations from the City's *Cycling Strategy and Action Plan*.

Yours sincerely

Clover Moore MP
