

## National Ride2School Day

### 15. Involving your local council

The best way to approach your local council is to first of all inform them about your National Ride2School Day. Give them as much detail about the day as possible (i.e. what you are planning - activities etc).

You could then formally invite your council to participate in your National Ride2School Day on some level. For example they might:

- Encourage community support
- Get more schools participating
- Host a special breakfast for students
- Judge a competition

Victorian schools can find who to contact within their local government area by contacting:

The Municipal Association of Victoria ([www.mav.asn.au](http://www.mav.asn.au)) or

The Victorian Local Governance Association ([www.vlga.org.au](http://www.vlga.org.au))

NSW schools can find who to contact within their local government area by contacting:

The Local Government and Shires Association of NSW ([www.lgsa.org.au](http://www.lgsa.org.au))

If you decide not to ask your local council for support it may be worthwhile to at least inform them that your school intends to hold a National Ride2School Day.
