

## National Ride2School Day

### 7. Recruiting Helpers

Helping with Ride2School Day is an ideal way for parents, guardians, family and friends of students to get involved.

Victorian schools can contact Ride2School on 8636 8836 or email [jacintam@bv.com.au](mailto:jacintam@bv.com.au) to request the assistance of one of our fabulous volunteers.

Schools in other states may like to contact their respective state cycling organisation.

Helpers for your Ride2School Day can perform a number of key tasks that will ensure students get the most out of their Ride2School experience.

Some of these key tasks include:

- Accompanying students on their walk / ride / skate to and from school.
- Being stationed as guides along bike paths to school.
- Preparing and hosting a breakfast or morning tea for students upon their arrival at school.
- Assisting with bike parking and storage.
- Running bike activities (e.g. Bike Ed, bike excursions, bike rodeos or challenges).
- Assisting the student organising committee in getting support from local councils, police and the community.

When recruiting helpers for your National Ride2School Day, make sure you communicate to them the importance and benefits associated with their involvement and support.
