

TIP SHEET

So you want to apply for funding? What to include in your letter to you local council

- ❖ We would like to inform council of (Name of School)'s commitment to encouraging student active travel.
- ❖ Currently, our school is actively involved and supportive of Bicycle Victoria's Ride2School Program.
- ❖ We require support from council to make it easier and more convenient for parents and students to walk and ride regularly.
- ❖ Encouraging students to travel actively to school has numerous benefits for our school and wider community including, reduced traffic congestion, happier and healthier students and it promotes a sustainable environment.
- ❖ Your school may be aware of particular infrastructure that council could address in the review. Please see the Tip Sheet: Infrastructure which could assist in getting more students riding and walking more often, for ideas.
- ❖ Don't forget to give specifics of what corner/streets which you would like to see infrastructure improved.
