Joe Garra, Candidate for Point Cook

Independent

RESPONSE:

"There are some areas that are in desperate need that I'm advocating for ie Queen St needs a bike/pedestrian bridge over Laverton Creek. Also Duncan's road Werribee South needs widening to add a bike lane. As an aside, one of my other policies is more schools in Point Cook so kids can walk/ride to school. We need to get cars off the road and people more active."
