Welcome from the NSW Government

Welcome to the beautiful NSW Central West tablelands for the Newcrest Orange Challenge, proudly supported by the NSW Government's tourism and major events agency, Destination NSW.

Surrounded by breathtaking scenery, the Newcrest Orange Challenge is a classic cycling event that will see you taking on challenging hills through varying terrain, encapsulating everything this spectacular region and ride has to offer.

With stunning landscapes, incredible cycling routes, a welcoming community and a variety of off-bike attractions, Orange is an ideal location for major cycling events, which enhance the region's reputation as one of the nation's premier cycling destinations.

Events like the Newcrest Orange Challenge also make a vital social and economic contribution to the region, attracting thousands of competitors, supporters and officials who stay in our hotels and spend locally, supporting local businesses and jobs throughout the Central West visitor economy.

Best of luck to all participants, enjoy the ride and take some time to explore the beautiful vineyards, artisan shops, bustling markets and award-winning restaurants of one of Australia's finest food and wine regions.

Welcome to Country

Bicycle Network acknowledges the Traditional Owners of the Wiradjuri Country. We pay our respects to their Elders, past, present and emerging.

Welcome to Newcrest Orange Challenge

Bicycle Network has been bringing the community together with incredible events around the country for decades, and I've been lucky enough to be involved in many as a rider, an ambassador, a volunteer and more recently as the organisation's CEO.

This new perspective has left me with one big take away, and that is just how dedicated our team is to keep raising the bar and keep reimagining what a world-class bike riding event looks like. Even after all these years.

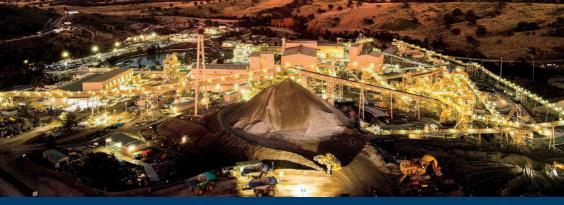

Helping our cause at the Newcrest Orange Challenge is the truly special community at the centre of it all. The township has played an accommodating host in four editions we've run together so far, and we're overjoyed to return and make 2023 the best one yet.

Drought, bushfires and the pandemic posed serious challenges for the community in recent years, and its willingness to embrace us all for a weekend of bike riding fun shows the size of its heart.

I'm sure all participants will show their appreciation and enjoy this breathtaking ride, enriched by that spirit. Each exhilarating descent might be followed by a gruelling climb or even a puncture – but by putting one pedal in front of the other there'll be good times at the end of it all. Just please don't forget to enjoy the views!

See you on the road. Alison McCormack

NEWCREST MINING'S CADIA VALLEY OPERATIONS

ABOUT US

Cadia is one of Australia's largest gold mining operations, owned by Newcrest Mining.

We are located approximately 25 kilometres from Orange in Central West New South Wales and 250 kilometres west of Sydney.

Our site comprises two mines - the Cadia East underground mine, which is one of the largest gold and copper deposits in the world, and the Ridgeway underground mine (currently in care and maintenance).

Cadia East commenced commercial production in January 2013 and uses the large-scale mining method known as panel caving.

CELEBRATING 25 YEARS OF MINING IN THE CADIA DISTRICT

SUPPORTING OUR COMMUNITY

Cadia prides itself on its expansive community support programs.

Each year, we provide in-kind and financial support to community groups and organisations in the Blayney, Cabonne and Orange Local Government Areas.

Cadia is proud to sponsor the Newcrest Orange Challenge through Cadia's Community Partnership Program (CPP).

The CPP aims to support and enhance community groups, organisations and infrastructure which provide a sustainable foundation for the communities in which we operate.

- Official merchandise

While you're at the village you can enjoy local food and drink offerings, free kids activities and live music!

2023 NEWCREST ORANGE CHALLENGE RIDE GUIDE

10

Social Ride

Warm up your legs on our social pedal, leaving Robertson Park. Choose either a 12km loop to the outskirts of town or a 40km loop ride to Mount

Canobolas (return). The ride is supported by Bicycle Network volunteer ride leaders but is on open roads and under normal traffic conditions. The social rides are free, but it is essential that you register.

Crossv and Kirstv

12km ride Elevation: 109m Start : 1:30pm Meet-up spot: **Robertson Park** (Lords Pl side)

Kids Ride

There is no better feeling than crossing the finish line with crowds cheering, music pumping and knowing you have had a great time out on your bike. Now your kids can experience that feeling too!

Bring the family down to Robertson Park on Saturday and kids 12 and under are invited to join the Newcrest Orange Challenge Kids Ride.

The ride will take place on the closed McNamara St and will consist of laps around an outlined course. All bikes are welcome and all riders will receive a small participation gift!

Entry is a gold coin donation to our Mind Body Pedal program.

Women's Community

In Australia, only one in three bike riders are women or gender diverse and here at Bicycle Network our goal is to bridge this gap of gender imbalance. Our Women's Community helps encourage, empower and inspire more women and gender diverse people to ride bikes and support a healthy and happy lifestyle.

And we're proud to share that of all Bicycle Network events, Newcrest Orange has one of the highest female participation rates!

Rider briefing

A rider briefing will be held at 5:00pm on Saturday 9 September at the rotunda in Robertson Park.

We ask that you attend the briefing to hear final event information, details about the ins and outs of the starting process and important information about the route.

Jersey swap

Not quite the right fit? A jersey swap service will be available at the Robertson Park event village on Saturday 9 September, subject to size availability. Returned jerseys must be unworn, tags attached and in original packaging.

Parking

Bike parking will be available inside the event village at Robertson Park.

Limited car parking will be available behind the Orange City Council building, accessed via Lords Place. Otherwise, street parking is available.

Valet service - 170km only

Our rider valet service makes it easy for you to look after yourself on your ride, but it's important to plan-ahead and use your valet bags wisely.

An A3-sized valet bag will 'ride ahead' of you and be waiting for you at Mandurama.

In this bag you can pack any essentials like food and fresh kit that you may want to collect at the lunch stop. You'll also receive a second bag to go inside the first bag. The second bag is your return valet service, so you can pack any unwanted clothing or items to send to the finish site.

Please drop your valet bags off at the Bicycle Network Marquee at Robertson Park by 5:00pm on the Saturday. There will be no valet drop at the start line on the Sunday morning.

Ride Day Sunday 10 September

88km ride

| Var | | |
|-----|--|--|
| Key | | |
| | | |

| | | |

To meet the advertised cut-off times, riders must aim for a minimum average speed of 22km/h (excluding breaks).

Robertson Park Event Village

BYNG ST

Event assistance We've got your back out on the road!

If you need a hand, spot a hazard or have a query on the ride day, please contact our event assistance team on the numbers below.

In case of an emergency, it is always recommended to call **000** first.

Calling event assistance **after** calling 000 is essential so that, where possible, Bicycle Network can work with the Emergency Services to facilitate the appropriate response.

SAGs

Can't make it to the finish line? We get it sometimes the day just doesn't go your way. But don't fear, we'll still get you home.

Pull over in an appropriate location, tip your bike upside down and our friendly SAG (support and gear) team will pick you up as they come through.

On-road support

Route marshals

There will be more than 150 route marshals along the route who can provide directions, encouragement and assistance. Give them a wave, listen to their instructions and let them know if you need a hand.

First aid

First aid will be available at all major rest areas:

- Robertson Park, Orange (Start and Finish)
- Iberdrola Cargo
- Canowindra
- Iberdrola Mandurama

If you need assistance while out on the road, please contact Event Assistance who will be able to respond appropriately.

Mechanical support

Mechanical support will be provided by local mechanics from DG Cycles and will be at the following locations:

- Robertson Park, Orange (Start)
- Iberdrola Cargo
- Canowindra
- Iberdrola Mandurama

Mechanics will provide their labour and assistance for free, however any spare parts (e.g. tubes) will be at a cost to the rider.

If you need mechanical assistance on Saturday, visit the DG Cycles Shop located across the road from the Event Village.

e-bikes

Participants are permitted to ride e-bikes in the 88km distance only. Participants must ensure that their battery is fully charged and the bike has the capacity to make it around the route (1342m elevation, and 88km). No additional support (e.g. charging) is provided for e-bikes.

Nutrition and Hydration

| Rest stop | 88KM | 170KM |
|---|--|--|
| Bowan Park 27km Water Stop | Water & electrolytes | Water & electrolytes |
| Iberdrola Cargo 50km Rest Stop | Assorted slices, fruit, Winners Bars & Winners Gels | Assorted slices, fruit, Winners Bars & Winners Gels |
